

GARAGE SALE POLICY

- ▶ The number of garage sales will be limited to twice per year, the 3rd Saturday in May and the 3rd Saturday in October.
- ▶ Although the garage sale will be a community effort, it will remain the individual homeowner's responsibility to apply for and obtain appropriate City approval.
- ▶ The Homeowners Association will send out reminders of the garage sales.
- ▶ Homeowners should take extra precaution on the garage sale dates to keep their children off the streets to ensure their safety during the increased traffic.
